

Camarillo Café

A smoke-free and alcohol-free coffeehouse-style concert series

Proudly presents two amazing singer/songwriters!

James Lee Stanley

A long career as both solo artist and in partnership with the likes of Peter Tork and Michael Smith lets singer/songwriter extraordinaire and Beachwood recording artist James Lee Stanley unite the unpredictable creative turns and the eclectic elements that make up his world. His remarkable ability as a vocalist and composer allow him to create memorable songs, each recorded with finely crafted guitar orchestrations that enhance the lyric. But a whole new dimension is added when James Lee performs live. These incredible songs, coupled with his outrageously hilarious repartee, make for an evening of hilarity and tenderness and one of the most entertaining concerts on the circuit. He has been hailed as one of the few all time greats and undisputed geniuses among singer-songwriters. *Fi Magazine* listed his *Freelance Human Being* as one of the finest recordings of 1998 and one of the Top 200 Recordings of all time. Caren Armstrong

Award winning Wildplum recording artist Singer/Songwriter Caren Armstrong has been making "big buoyant music" since the tender age of ten. Hailing from Northern California, she has been awarded top honors at the Napa Valley Music Festival and the 15th Annual Tucson Folk Festival, and has been a finalist at the Rocky Mt. Folk's Fest and the Wildflower Music and Arts Festival. The petite redhead's soaring vocals, sophisticated guitar chops and dynamic performances have endeared her to fans nationwide. Caren's style references folk, country, blues, jazz, traditional and popular music yet is distinctively her own. At home in virtually any musical milieu, she has opened for The Beach Boys, Nanci Griffith, Lee Ann Womack and toured with Dan Hicks as one of the Hot Licks. More at www.CarenArmstrong.com
